Attachments: 03-084-FHW US 95 Thorncreek to Moscow FEIS.pdf

Hello, Brent and Adam,

Attached is an electronic version of the US Environmental Protection Agency comments on the US 95 Thorncreek Road to Moscow Final EIS. The original signed hard copy was mailed to you on September 21, and likely has arrived, but in any case, I am sending the attached to be sure you have received it.

Thank you so much for the additional review time - it was much appreciated! Please don't hesitate to contact me if you have any questions or would like to discuss our comments.

Sincerely,
Elaine Somers
